

Classic CX

TWO DRAWER RANGE

Our Classic CX Two Drawer Range is perfect for those that have limited kitchen space with a big focus on style. With a stunning flat panel design, Inverter Technology and advanced functionality, the Classic CX Range is the ultimate fridge for medium-sized households.

MR-CX328ER

600W x 660D x 1698H mm

Also available in Left Hand

328 Litres

MR-CX363ER

600W x 660D x 1820H mm

Also available in Left Hand

363 Litres

Advanced Inverter Technology

Utilising multiple temperature sensors and Neuro Fuzzy Logic, the CX memorises your usage patterns and seamlessly adapts its power levels to minimise temperature fluctuations whilst maximising energy efficiency.

Humidity Drawer with Vitalight Technology

Slow down the wilting process of leafy greens and maintain their original vitamin and antioxidant levels with the unique Vitalight Amber LED Lighting System. Fruit and vegetables stored in this specially designed Humidity Drawer with its integrated Vitalight Technology will last significantly longer in comparison to conventional vegetable crisper bins.

Non-Plumbed Automatic Ice Maker

Always have fresh, clean ice with the Non-Plumbed Automatic Ice Maker. As there is no separate plumbing connection required, this cost-effective approach to ice making means the fridge can be placed anywhere in the kitchen, not just near existing pipe work. Simply fill the removable water tank and the ice maker is ready to go.

Supercool Chilling Case

Keep meat and fish fresher for longer without having to freeze them. The Supercool Chilling Case is ideal for storing fresh meat for up to seven days and fish for up to five days without the need of a freezer.

White Stainless Steel Black Stainless Steel

*300 – 399L Multi Drawer Category

1. Refrigerator Compartment

- Tempered Glass Shelves can hold up to 100kg
